The Mansions of the Gods is the seventeenth volume of the Asterix comic book series, by René Goscinny (stories) and Albert Uderzo (illustrations). It was originally serialized in the magazine Pilote, issues 591-612, in 1971, and translated into English in 1973. It was the first not to use Asterix's name in the title (Obelix and Co. later became the only other in English, though not in French).
