Governments around the world have passed measures to phase out incandescent light bulbs for general lighting in favor of more energy-efficient lighting alternatives. Phase-out regulations effectively ban the manufacture, importation or sale of incandescent light bulbs for general lighting. The regulations would allow sale of future versions of incandescent bulbs if they are sufficiently energy ...

The Scar is a definitive example of The New Weird, an expansive, revolutionary offshoot of traditional fantasy. Written in muscular, often poetic language and informed throughout by the author's intelligence and restless imagination, it remains a unique accomplishment, a book no one else could have written.
