

greatest quote for positive pdf

Utilitarianism is an ethical and philosophical theory that states that the best action is the one that maximizes utility, which is usually defined as that which produces the greatest well-being of the greatest number of people, and in some cases, sentient animals. Jeremy Bentham, the founder of utilitarianism, described utility as the sum of all pleasure that results from an action, minus the ...

An ontological argument is a philosophical argument for the existence of God that uses ontology. Many arguments fall under the category of the ontological, and they tend to involve arguments about the state of being or existing. More specifically, ontological arguments tend to start with a priori theory about the organization of the universe. If that organizational structure is true, the ...

Historical Background to Positive Psychology in North America Humanistic Psychology. The story of positive psychology (PP) in America begins long prior to the modern movement called PP, and the humanistic psychologists provide a reasonable place to begin.

Positive Psychology in North America (USA & Canada)

Lesson 1: Who Am I? Socrates's famous quote, "Know Thyself," is a philosophical and psychological imperative. It applies to every major area of psychology, from self-acceptance to self-esteem, from self-defence to personal growth. Almost every significant aspect of well-being and mental health is related to self-knowledge.
