Comparative mythology is the systematic comparison of myths from different cultures. It seeks to discover underlying themes that are common to the myths of multiple cultures.

**Myth - Wikipedia**

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.
