Who Uses Layers of Learning? Layers of Learning is meant to be used by the adult, not handed off to the child like a textbook. The parent/teacher chooses specific elements from the guide book and makes up his or her own lesson plans.. At the beginning of each topic there is a short introduction.

Curriculum Guide for Layers of Learning

A gazetteer is a geographical dictionary or directory used in conjunction with a map or atlas. It typically contains information concerning the geographical makeup, social statistics and physical features of a country, region, or continent. Content of a gazetteer can include a subject's location, dimensions of peaks and waterways, population, gross domestic product and literacy rate.
