

hellblazer vol 1 original pdf

Constantine is a former ongoing comic book series published by DC Comics, which started in March 2013. It features British Magician John Constantine re-established into the DC Universe, and replaces the former Vertigo Comics title Hellblazer, which ended with its 300th issue after 25 years, in February 2013. The title character was originally created by Alan Moore in his 1980s run on Swamp Thing.

LGBT themes in comics are a relatively new concept, as lesbian, gay, bisexual, and transgender themes and characters were historically omitted intentionally from the content of comic books and their comic strip predecessors, due to either censorship or the perception that comics were for children. In the Twentieth century, the popularity of comic books in the US, Europe and Japan have seen ...
