Time is treated in the U.S. as a commodity. Of course, one has a few close friends and family members with whom one can pass the time without undue attention to watch or clock. In the company of most other people, however, questions arise about the worthwhile use of one's time. Sure, Americans admire trusting relationships.

## **How Americans Use Time, by C. Grove**

How Americans Spend Their Time by Niall McCarthy, ... American men spend more time enjoying leisure and sports activities than women as well as eating and drinking. Women tend to spend more time ...
