How to Create Viral Content: 10 Insights from 100 Million

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...

(Mar. 05, 2018) "Americans who work for a living have been screwed by a cadre of people with nothing better to do than lie, steal and cheat decent people. Law abiding citizens, by nature, want to believe that their elected and appointed officials support the U.S. Constitution. The Americans for Innovation timeline proves that many of our officials are committing heinous crimes, while the ...
