Safe Healthcare Webinar Series Earn free CE and learn best practices to improve patient safety.

**Healthcare-associated infections | HAI | CDC**

The United States Department of Health and Human Services (HHS) is committed to addressing opioid abuse, dependence, and overdose. HHS has developed a five-point comprehensive strategy: (1) better data, (2) better pain treatment, (3) more addiction prevention, treatment, and recovery services, (4) more overdose reversers, and (5) better research.
