How to Support School Readiness Age-based information on how children develop the four key skillsâ€”language and literacy skills, thinking skills, self-confidence and self-controlâ€”that are critical to later school success.

How to Support School Readiness â€” ZERO TO THREE

This blog post is the first of a four-part series about School Readiness. According to many scholars and educators, school readiness is multifaceted and means that children are ready for school, families and communities are ready to support childrenâ€™s growth and development, and schools are ready to accept children into their classrooms.
