A Ranch Broker - Nevada ranch real estate, land, property

A real estate bubble or property bubble (or housing bubble for residential markets) is a type of economic bubble that occurs periodically in local or global real estate markets, and typically follow a land boom. A land boom is the rapid increase in the market price of real property such as housing until they reach unsustainable levels and then decline. This period, during the run up to the ...

Real estate bubble - Wikipedia

Real estate development, or property development, is a business process, encompassing activities that range from the renovation and re-lease of existing buildings to the purchase of raw land and the sale of developed land or parcels to others. Real estate developers are the people and companies who coordinate all of these activities, converting ideas from paper to real property.
