Recent Advances in Obstetrics & Gynaecology 1st Edition

To the Editor:" The article in The Journal titled "Evaluation of Present Day Trends in Obstetrics" by Reid and Cohen (149: 615 [March 4] 1950) presented the viewpoint of the institutional physician. While their disproof of false theories, sometimes advanced in support of "normal childbirth," are timely and well taken, their prejudice against normal and natural processes is as unfounded as the statements they disprove.
