Mass Customization: Reflections on the State of the Concept. Many companies are already operating on this new business model successfully. But most of them are rather small start-ups which utilize the novelty effect of mass customization to enter mature markets. Large scale mass customization operations are still limited to a few examples.

Reflections on the Concept and Practice of the Council of Europe Approach to Gender Mainstreaming and Gender Equality In trying to assess the theoretical and political merits of gender mainstreaming strategies, one of the main questions seems to be whether this strategy is mainly integrationist in its impact or poten-

**Displacement and Empowerment: Reflections on the Concept**

The concept of reflection is complex and in tackling this problem I have structured the article firstly by developing what I see as the problem of reflection when in particular, it is assessed. Most of the literature to support my argument comes from education and philosophy rather than psychology and the therapies.

**The concept of reflection: is it skill based or values**

about yourself. Provide at least three specific examples using at least three of concepts on the assignment sheet. For each concept, define the concept and provide your example.
