

religion in a secular pdf

A secular religion is a communal belief system that often rejects or neglects the metaphysical aspects of the supernatural, commonly associated with traditional religion, instead placing typical religious qualities in earthly entities. Among systems that have been characterized as secular religions are capitalism, communism, anarchism, fascism, nationalism, Auguste Comte's Religion of Humanity ...

Secular religion - Wikipedia

A secular state is an idea pertaining to secularity, whereby a state is or purports to be officially neutral in matters of religion, supporting neither religion nor irreligion. A secular state also claims to treat all its citizens equally regardless of religion, and claims to avoid preferential treatment for a citizen from a particular religion/nonreligion over other religions/nonreligion.
