12 Rules for Life is a collection of life principles that, if followed, are meant to improve your life. It reached the #1 spot on Amazon's bestsellers list, and clearly it resonates with a lot of people. Its author (Jordan Peterson, a clinical psychologist and U Toronto professor) argues that modern secularism and reliance on science has left a void in answers to important existential ...

Venus is the name of two fictional characters appearing in American comic books published by Marvel Comics. The first, originally based on the goddess Venus from Roman and Greek mythology, was retconned to actually be a siren that only resembles the goddess. The second is stated to be the true goddess, who now wishes only to be referred to by her Greek name, Aphrodite.
