HSE: Information about health and safety at work

The Safety, Health and Welfare Act 2005 (No. 10 of 2005) came into operation on 1 September 2005, except the provisions of section 4(2), other than as that subsection applies to the repeal of the Safety, Health and Welfare at Work Act 1989

Safety, Health and Welfare at Work Act 2005 - Health and

The current version of the model Work Health and Safety (WHS) Regulations, dated 28 November 2016, includes all amendments made since 2011. The amendments to the model WHS Regulations do not automatically apply in a jurisdiction. For the model WHS Regulations, including any amendments, to have effect in a jurisdiction, they must be made in that jurisdiction.

Model Work Health and Safety Regulations | Safe Work Australia

WHS reporting needs to provide relevant, robust and timely information to inform decisions that influence ongoing business performance. Poor WHS outcomes can have a detrimental impact on individuals and their families, on the financial, interpersonal and reputational health of a business and, potentially, on the wider community.
