Are You Alone Wise?: The Search for Certainty in the Early

Descartes extends the certainty of the cogito to all thought and sensory experience "even if I cannot know the truth of what I think or experience, I can know that I think or am experiencing this. Just as I cannot doubt that I am thinking, I cannot doubt that I am thinking about the body, or experiencing a sensation of light.

Descartes on certainty - Amazon Web Services

In your desperate search to find the address, you ask a gas station attendant. Fortunately, he not only knows the way but gives you a map with explicit directions. With new confidence you set out assured of your destination. You make the appointment precisely on time. God has given us directions for the twenty-first century.
