

### **second language acquisition language pdf**

Second-language acquisition (SLA), second-language learning, or L2 (language 2) acquisition, is the process by which people learn a second language. Second-language acquisition is also the scientific discipline devoted to studying that process. The field of second-language acquisition is a subdiscipline of applied linguistics, but also receives research attention from a variety of other ...

when it does not get in the way of communication (e.g. prepared speech and writing). Very good optimal users may, in fact, achieve the illusion of native

### **Second Language Acquisition and Second Language Learning**

A person's second language or L2 is a language that is not the native language/first language/L1 of the speaker, but is learned by the speaker after his/her native language (usually a foreign language, see below). Additionally, a person's second language can be explained as the second language in the country the speaker lives in and they may be both used in daily life.
