A few weeks ago, we published the Business Email Compromise (BEC) Checklist. The question arose "what if you're new to security, or your security program isn't very mature? Since the checklist is based on the NIST model, there's a lot of information here to help your security program mature, as well as to help you mature as a security practitioner.

MSI :: State of Security | Insight from the Information

The Department of State's Office to Monitor and Combat Trafficking in Persons leads the United States' global engagement against human trafficking, an umbrella term used to describe the activities involved when someone obtains or holds a person in compelled service.
