self care is the pdf

In health care, self-care is any necessary human regulatory function which is under individual control, deliberate and self-initiated.. Some place self-care on a continuum with health care providers at the opposite end to self-care. In modern medicine, preventive medicine aligns most closely with self-care. A lack of adherence to medical advice and the onset of a mental disorder can make self ...

Self-care - Wikipedia

The self is an individual person as the object of his or her own reflective consciousness. This reference is necessarily subjective, thus self is a reference by a subject to the same subject. The sense of having a self " or self-hood " should, however, not be confused with subjectivity itself. Ostensibly, there is a directedness outward from the subject that refers inward, back to its ...
