Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions, including the human sexual ...

Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

Bananas are the most popular fruit in the world, with more than 100 billion consumed annually. [1] Bananas have been sold in North America since the late 1800s, although the popular variety at that time is not the one we enjoy today. [2] In 1890, a disease spread throughout banana-growing regions of Latin America and the Caribbean and destroyed many banana farms.
